Factors Contributing to Current Performance

- Solid product selection
- Inventory control
- Competitive pricing
- Knowledgeable, service-oriented staff
- Web based and print advertisements

Factors Restricting Performance Improvement

- Negotiated compensatory expenses (65% of operating costs)
- Lease escalation clauses
- Growth of utility and other operating costs

Performance Improvement Plan

In FY13, the Department continues to seek its gross profit margin (cost of goods sold to sales) target of 28%. A gross profit margin of 28% will ensure that the Department meets its cost of operations and transfers a predetermined amount of profit to the General Fund. The Department and the Office of Management and Budget jointly establish a profit transfer goal. Because markups and sale prices are standardized, the Department gets a standardized output. This measure is less of a plan than it is a broad measure to watch to ensure we are on track.

Responsive and Sustainable Leadership:

Responsive and Sustainable Leadership has been the cornerstone of the County Executive's vision for Montgomery County government. To advance this vision, we have identified eight overarching goals for all County departments:

1) Effective and Productive Use of the Workforce/Resources:

Department actively works to effectively and productively use its workforce/resources, including, but not limited to, better management of overtime, implementation of productivity improvements, reduction of ongoing costs, and efficient use of other resources.

a) 48% increase in average overtime hours used by all full-time, non-seasonal employees.
(Source: CountyStat)*

b) 0.1 percentage point decrease in average Net Annual Work hours for all full-time, non-seasonal employees. (CountyStat)*

**Values are based on the employee's HR Organization and not assigned Cost Center(s)*

2) Internal Controls and Risk Management:

Department actively assesses its internal control strengths, weaknesses, and risks regarding compliance with laws, regulations policies and stewardship over County assets: Department reviews and implements Internal Audit recommendations in a systematic and timely manner, and proactively manages risk pertaining to improving workplace safety, decreasing work-related injuries, and reducing County exposure to litigation

*a) 93% of 15 Audit report recommendations were fully implemented since issuance of the audit report.
(Source: Internal Audit provided to CountyStat)*

b) 9% decrease in number of work-related injuries (from 64 in FY12 to 58 in FY13). (Source: Risk Management)

b) 15.0% decrease in paper purchases (measured in total sheets of paper) (Source: CountyStat)

c) List your accomplishments and/or expected results

- DLC is using BPA-free receipt paper in the retail stores.
- DLC has converted a number of FAX lines to eFax, which will allow for consolidating lines and eliminating the use of Fax machines, saving money on excess lines and machine upkeep.
- DLC is converting its current system to allow users to review reports on-screen and print only if necessary. This should reduce the need for different sizes of paper and enable the department to retire its large, legacy printers.
